Progression Data

The Sullivan University College of Pharmacy and Health Sciences (SU COPHS) PharmD program closely monitors on-time graduation rates and these data are available below. In addition to on-time graduation rates, entering class size, academic dismissals, withdrawals, and all causes attrition rates are monitored in accordance with ACPE Policy & Procedures.

Admitted Year (Number of students admitted)	Graduation Year	Overall Graduation	On-Time Graduation	Delayed Graduation	Dismissal	Withdrawal	Attrition
2018 (63)	2021	59 (93.7%)	57 (90.5%)	2 (3.2%)	3 (4.8%)	1 (1.6%)	6 (9.5%)
2019 (50)	2022	46 (92.0%)	42 (84.0%)	4 (8.0%)	3 (6.0%)	1 (2%)	8 (16%)
2020 (47)	2023	42 (89.4%)	32 (68.1%)	10 (21.3%)	3 (6.4%)	2 (4.3%)	15 (31.9%)
2021 (38)	2024	37 (97.4%)	32 (84.2%)	5 (13.2%)	0 (0%)	1 (2.6%)	6 (15.8%)
2022 (31)	2025	30 (96.8%)	27 (87.1%)	3 (9.7%)	0 (0%)	1 (3.2%)	4 (12.9%)
2023 (46)	2026	44 (95.7%)	42 (93.5%)	2 (4.3%)	2 (4.3%)	0 (0%)	4 (8.7%)

*Shaded data is based on cohorts of students still active in the program.
**Overall graduation=number of students who graduated in admitted cohort (on-time + delayed); On-time graduation=number of students who finished in 3 years; Delayed graduation=number of students who finished >3 years; attrition=(delayed graduation + dismissal + withdrawal)
***Data current as of February 2024

NAPLEX and MPJE First Time Pass Rates

The North American Pharmacist Licensure Examination (NAPLEX) and Multistate Pharmacy Jurisprudence Examination (MPJE) is offered by the National Association of Boards of Pharmacy (NABP) and required for all graduates of an accredited college or school of pharmacy to pass prior to state licensure. ACPE monitors each college or schools' performance on the NAPLEX as per the ACPE Policy & Procedures. SU COPHS's NAPLEX pass rates are summarized in the table below. Comparisons with other colleges/schools of pharmacy can be done at the NABP website.

Graduating Class Year (Number of Graduates)	SU COPHS NAPLEX First Time Pass Rate (Number of students reported)	National NAPLEX Pass Rate	SU COPHS MPJE First Time Pass Rate (Number of students reported)	National MPJE Pass Rate
2021 (63)	73% (63)	81.3%	63% (54)	77.6%
2022 (45)	59.1% (44)	77.1%	68.4% (38)	73.8%
2023 (37)	69.7% (33)	77.5%	79.3% (29)	72.0%

**Data based on NABP website results (2021-2023) as of January 26, 2024

Additional Data

Student learning is assessed formatively throughout the PharmD curriculum on course examinations and a practice PCOA (taken 5th quarter out of 8) and summatively at the end of the first and second professional year (Pre-APPE PCOA [taken last quarter out of 8] and OSCE exams). Performance on these assessments is shown in the tables below. Average scores on both the PCOA and OSCE exams show students' achievement of knowledge and skills during the program.

PCOA (Pharmacy Curriculum Outcomes Assessment)

Graduating Class	Practice (Formative Exam)	Pre-APPE (Summative Exam)
Class 2022	NA (COVID)	338 (44th percentile)
Class 2023	282 (35th percentile)	329 (36th percentile)
Class 2024	NA	340 (80th percentile)

OSCE (Objective Structured Clinical Examination)

Graduating Class	Number of Stations	Skills	Communication		Collect	Assess	Plan	Implement	Monitor/ Evaluate		Return to Pharmacist*
2022 (N=45)	5	79%	79%		87%	85%	78%	81%	81%		4
2023 (N=39)	5	79%	93%		79%	86%	63%	91%	78%		4
2024 (N=39)	8	81.9%	94%		72%	91%	87%	83%	81%		6.9

*Scored based on final P2 capstone (0=no return and 1=return for each encounter)

Percent of Student Entering Residencies/Fellowships or Graduating With Second Degree

Graduating Class Year	Residencies/Fellowships	Second Degree (Masters)	Total # Individuals
